

# "Cameron Sexton represents what I've been preaching..."

I know Cameron Sexton and he is a fine christian man. Cameron is pro-life and believes life starts at conception by God's hands. He is pro-traditional family. He believes that marriage is between a man and a woman.

Cameron is a member of Central Baptist Church and is active in the youth programs at church. He is active in the Emmaus community. He was on walk #66 table of Peter, and he has been an adult speaker on Chrysalis walks 24 & 27.

He is a man of good character and demonstrates his Christian values every day of his life. He will always try to do the right thing. That includes putting people before politics.

I support Cameron Sexton because he represents what I have been preaching for 60 years.
